

POSITION AVAILABLE IMMEDIATELY
AT HIGHLAND ENGINEERING AND SURVEYING
IN CAMPBELL RIVER, BC

CIVIL TECHNOLOGIST

We are looking for a qualified candidate with a minimum of 3 years experience in civil and municipal services design. Experience with Autocad is a must, inspection and surveying skills will also be an asset.

Highland Engineering and Surveying is a well-established engineering and land surveying practice located in Campbell River servicing central and northern Vancouver Island. Campbell River offers unparalleled access to unlimited recreational opportunities. The community has affordable housing and a high growth rate ensuring a long-term, stable and rewarding employment opportunity. We offer a competitive salary and benefits as well as access to profit sharing.
